Commission for Water Sustainability

International Geographical Union

International research-to-practice conference

**WATER SUSTAINABILITY IN THE XXI CENTURY:
CHALLENGES AND SOLUTIONS**

August 16 – 21, 2017

Istomino (Lake Baikal), Republic of Buryatia, Russian Federation

DEAR COLLEAGUES!

We invite you to participate in the International conference “**WATER SUSTAINABILITY IN THE XXI CENTURY; CHALLENGES AND SOLUTIONS**” as part of the annual meeting of the Commission for Water Sustainability of the International Geographical Union.

Organizing Committee:

Frank Winde – Prof. Dr. habil., Chair of the IGU Commission for Water Sustainability, North-West University, South Africa

Nikolai Kasimov – Academician of the RAS, I vice-president of the Russian Geographical Society, President of the Faculty of Geography of the Lomonosov Moscow State University, Russia

Arnold Tulokhonov – Academician of the RAS, scientific leader of the BINM SB RAS, Russia

Endon Garmaev – Dr. habil., Professor of the RAS, Director of the BINM SB RAS, Russia

Natalia Frolova – Prof. Dr. habil., Vice Chair of the IGU Commission for Water Sustainability, Head of the Land Hydrology Department of the Faculty of Geography of Lomonosov Moscow State University, Russia.

Dates and venue:

The conference will be held from **16 to 21 of August 2017** at the premises of the International Ecological and Educational centre “Istomino” at the shores of Lake Baikal (located 130 km from the City of **Ulan-Ude** in the Selenga River delta).

Topics of the conference:

1. Water resources in the conditions of changing climate
2. Water Management: Principles, Methods, Results
3. Water cooperation in transboundary river basins
4. Water Pollution and Health Impacts
5. Extreme hydrological events

Working languages of the conference: English, Russian.

Forms of participation in the work of the conference:

- plenary papers;
- session papers;
- paper publication.

Requirements for the materials formatting:

We envisage to publish the conference proceedings before the start of the conference Papers for the proceedings should not exceed 5 pages of text, typed in Microsoft Word, Times New Roman, 12 point size, single line spacing, all margins 2.0 cm. Tables and Figures in .jpg format are to be inserted within the text. References to Tables and Figures must be in parentheses (Table 1), references to literature must be numbered and put in square brackets [1]. The paper must include full name, place of work of all authors incl. e-mail addresses. List of literature must be formatted according to the standard. For papers submitted in Russian an English abstract must be provided. All abstracts should not exceed 10 lines. Materials for publication must be sent by e-mail to the e-mail of the Organizing Committee in .doc or .rtf format.

Registration fee

The registration fee is 125 USD, which includes: transportation from Ulan-Ude to Istomino and back, accommodation for ~~4~~³ nights and all meals on Lake Baikal as well as participation in field excursion to the Selenga Delta. ~~The 3-day excursion would be from 19.08 to 21 Aug-Aug. Approximate cost is and will be charged separately depending on the option available – \$300 (tour to Baikal Biosphere Reserve, Chivyrkuy Bay, Ushkan Islands).~~

Time frames

To participate in the conference it is necessary:

Until March 15, 2017 – to send to the Organizing Committee filled in registration form via e-mail as well as abstracts for oral presentations

Before 1 April 2017 acceptance of abstracts will be confirmed to participants

Until May 1, 2017 – to send to the Organizing Committee ready formatted conference paper for publication as stipulated above.

Until June 1, 2017 – to inform the Organizing Committee about the form of participation.

The number of participants is limited to 30.

The conference agenda, information about accommodation and the plan of excursions will be given in the second circular.
